#### **"Breaking Out of *The Man Box*" - DVD**

A CALL TO MEN radically challenges the socialization of men by examining the social norms, culture and traditional images of manhood that has created an environment that supports, tolerates and often encourages men's violence against women. The founders of A Call To Men provide concrete solutions and practical approaches toward ending men's violence against women. These men provide great insight into the construct of sexism and courageously challenge the privileges and entitlements given to men. This highly sought after educational tool is unique in its ability to be affirming and respectful to the experiences of women while expressing genuine care and hope for men. (Length: Approx. 35 minutes)

#### **"Tough Guise: Violence, Media and the Crisis in Masculinity"**

Jackson Katz developed the first educational video geared toward college and high school students to systematically examine the relationship between pop-cultural imagery and the social construction of masculine identities in the U.S. at the dawn of the 21st century.

Jackson Katz is one of America's leading anti-sexist male activists. An educator, author and filmmaker, he is internationally recognized for his groundbreaking work in gender violence prevention education with men and boys. This exciting new media literacy tool--utilizing racially diverse subject matter and examples-- will enlighten and provoke students (both males and females) to evaluate their own participation in the culture of contemporary masculinity.
