

Economic-Friendly Activities for Families

1. Visit your local fire stations

2. Eat out (Way out), find a food dish that is not American, cook it, and discuss the country in which it is from. Follow this link for ideas: <http://www.epicurious.com/articlesguides/blogs/80dishes>

3. Volunteer together! Volunteering will help kids get a well-rounded view of what's going on in the world.

4. Pack a lunch, and go for a picnic lunch at a park near you.

5. Visit your local farmers market

6. Compare leaves on trees in your neighborhood.

7. Plan a scavenger hunt with paper clues and a small prize at the end!

8. Plant seeds and watch them grow!

9. Get Creative and make a family t-shirt. For Directions: <http://www.sheknows.com/parenting/articles/842465/how-to-make-a-family-t-shirt>
