

Earn a Professional Certification in Trauma & Resilience

Florida State University has launched a new online curriculum for a Professional Certification in Trauma and Resilience – Level One.

(<https://learningforlife.fsu.edu/professional-certification-trauma-and-resilience-level-one/>)

The curriculum developed by the College of Social Work's Clearinghouse on Trauma & Resilience within the Institute for Family Violence Studies enables professionals to develop the knowledge and skills they need to understand the impact of adult and child trauma, along with the keys to resilience. Participants will learn crucial information to improve service delivery to clients, students, human services recipients, patients, and other members of the public.

This self-paced curriculum includes 20 hours of course content and ten chapters of research-based readings, case scenarios, multi-media materials, assignments, and quizzes.
